

Appendix 1

Application Form for a site assessment by the Canadian Food Inspection Agency (CFIA) for movement of plants with soil or soil-related matter attached out of a Japanese beetle, *Popillia japonica*, regulated area in British Columbia (BC)

To receive an assessment, you must submit this completed form and good-quality photos of the entire site (showing the ground cover / plants with soil or soil-related matter attached) to:
BCPF.Japanese.Beetle@inspection.gc.ca **at least five business days prior to any work being done.**

Please note that incomplete applications may cause a delay in this process.

If you need more space to provide the information requested on this form, you may attach additional pages to this application. Please make sure the applicant/contact name is included on **each** additional page.

You may contact the CFIA at **604-292-5742** or by email at BCPF.Japanese.Beetle@inspection.gc.ca for any questions regarding this form.
